Florida’s Rural Assistance Program (RTAP)

Instructor’s Course in Paratransit Operations

This instructor-led course provides a standardized training program that can be used by paratransit service providers to train qualified, professional paratransit operators. Instructors are trained in presentation and creative learning techniques, facilitation methods, and adult learning principles for teaching operators skills in Vehicle Operations, Emergency Management, and Customer Relations.

Upon completion of this course, you will receive course materials for Vehicle Operations, Emergency Management, and Customer Relations. Included will be a CD-ROM which will have all the manuals, electronic slide-sets, quizzes and course evaluations.

The Florida Rural Assistance Program is offering this four–day course in the following locations:

January 23-26, 2006       Bartow, Florida
April 3-6, 2006           Tavares, Florida

There is no registration fee to attend this course. If you would like to attend one of these sessions, please indicated the date you wish to attend, fill out the form below, and fax or mail it to Molly Buffington:
