- **CUTR Participants:** R. Bertini, D. Hinebaugh, P. Winters, C. Lee, C. Van Allen

- **Guests:** Diana Furchtgott-Roth, U.S. DOT Deputy Assistant Secretary for Research and Technology, Amy Stearns, U.S. DOT Office of the Assistant Secretary for Research and Technology, Amanda Carpenter, Florida Department of Transportation
- Approval of Minutes: Meeting of June 11, 2019
 - Motion (Llort) and second (DeBosier), minutes approved unanimously.
- Dr. Bertini welcomed special guest – U.S. DOT Deputy Assistant Secretary Diana Furchtgott-Roth:
 - The Deputy Assistant Secretary complimented CUTR's proposal for National Institute for Congestion Relief UTC and indicated that CUTR was selected as the best among a large number of proposals.
 - Furchtgott-Roth spoke on the proposal's dynamic pricing aspects and the well-thought-out manner of the proposal. She also spoke towards the importance of agency ties, collaboration, and state matching funds.
- Dr. Bertini welcomed FDOT Secretary – Kevin Thibault:
 - Secretary Thibault shared his focus on leadership and “moving the needle” in Florida. He briefly spoke about careers within the transportation field and possible educational incentives.
 - Thibault's four main priorities for Florida transportation: safety, congestion relief/increased mobility, technology/inspire innovation, and recruitment and staff retainment including workforce development, especially in the construction sector.
 - Thibault also expressed the need for the transportation field being a field for those with no higher education background.
 - The Multi-use Corridors of Regional Economic Significance (M-CORES) program, including the Suncoast Connector (Citrus County to Jefferson County), the Northern Turnpike Connector (northern terminus of Florida's Turnpike northwest to the Suncoast Parkway) and the Southwest-Central Florida Connector (Collier County to Polk County) were briefly discussed
 - Bertini and Llort inquired about the place for the University of South Florida and CUTR in the state's workforce development plan.
 - Stearns mentioned the San Jose State University Mineta Center and its graduate program in transportation management delivered in person and via distance learning at all Caltrans district offices.
- Dr. Bertini welcomed Dean Robert H. Bishop:
 - Bishop spoke on the growth of the College of Engineering (COE) including its recent rise from 89th to 54th place in ranking. He credited much of the success of COE to CUTR and its work – “thumbs up to CUTR and its research.”
- Dr. Chanyoung Lee gave a brief synopsis of his program's work and the importance of motorcycle safety in the state of Florida.
- Bertini invited the board to the 2019 CUTR TRB reception on Sunday, January 12, 2020 in Washington, D.C.
- Bertini congratulated the three students who received the 2019 Dwight David Eisenhower Transportation Fellowship: Trang Luong, Lori Palaio, and Brain Staes. He also described the success of the first USF engineering study abroad course held in the summer of 2019.
- **Next Meeting – date TBD in first quarter of 2020**
- Adjourned to CUTR Transportation Achievement Awards Event at 5:20 PM for the Annual Advisory Board Photo, Poster Competition, reception, and dinner.
