Senior Transportation Mobility Initiative

Transportation Needs of an Aging Population

June 11, 1998
Research Summit
(Advance Registration Required)

June 12, 1998
Distinguished Lecture
Joseph Coughlin, Ph.D.
Massachusetts Institute of Technology
Center for Transportation Studies

Sponsored by:
USF Center for Urban Transportation Research
USF Institute on Aging
Tampa Bay Regional Planning Council/Area Agency on Aging
Join your university and agency colleagues to share ideas and help develop an agenda for applied research related to assessing and improving mobility for persons as they age.

Center for Urban Transportation Research (CUTR) Building
University of South Florida, Tampa Campus

8:30 a.m.-9:00 a.m. Welcome Reception
Hosted by CUTR & Area Agency on Aging

9:00 a.m.-9:15 a.m. Introduction & Overview
- Rosemary Mathias, CUTR

9:15 a.m.-10:45 a.m. Florida’s Aging Driver Research Programs
- Sue Samson, Area Agency on Aging
- Donna Cohen, USF Louis de la Parte Florida Mental Health Center
- Jose Guerrier, University of Miami School of Medicine (Invited)
- Burton Stephens, University of Florida

10:45 a.m.-11:00 a.m. Break

10:45 a.m.-12:15 p.m. Senior Transportation Mobility Initiative Research
- Xuehao Chu, CUTR
- J. John Lu, USF College of Engineering
- Rosemary Mathias, CUTR
- Laura Lachance, CUTR

12:15 p.m.-1:15 p.m. Lunch (included)

1:15 p.m.-2:30 p.m. A Framework for Assessing Older Drivers
- Loren Staplin, The Scientex Corporation

2:30 p.m.-2:45 p.m. Break

2:45 p.m.-4:15 p.m. Setting the Research Agenda
- Loren Staplin, The Scientex Corporation
- Joseph Coughlin, MIT Center for Transportation Studies

4:15 p.m.-4:30 p.m. Wrap-up
Distinguished Lecture
Preliminary Agenda
Friday, June 12, 1998
Open to the Community

Joseph Coughlin, Ph.D., is Director of the Region 1 University Transportation Centers Program, located at the MIT Center for Transportation Studies in Cambridge, Mass.

10:30 a.m.-11:30 a.m. Open Discussion: The Research Agenda
- Rosemary Mathias, CUTR
- James Mortimer, Institute on Aging
- Sue Samson, Area Agency on Aging
- Joseph Coughlin, MIT
- Loren Staplin, The Scientex Corporation

11:30 a.m.-12:00 noon Informal Discussion with Presenters
Embassy Suites Hotel
3705 Spectrum Boulevard, Tampa, Florida

Sleeping rooms are available at the new Embassy Suites Hotel, located on the campus of the University of South Florida (USF) in Tampa. The USF Rate is $99/night, single or double occupancy, which includes a complimentary cooked-to-order breakfast and an evening reception. Make reservations by calling the hotel directly at 1-813-977-7066. Be sure to request the USF Rate.

The Embassy Suites Hotel is located at the northwest corner of E. Fowler Avenue and McKinley Drive in the Tampa Bay Research and Development Park (south side of the USF campus). The hotel is within walking distance of the CUTR building and is connected by a sidewalk from the north end of the hotel parking lot. However, there is no wheelchair access between campus and the hotel because of curbing along Alumni Drive.

For more information, contact Rosemary Mathias at the USF Center for Urban Transportation Research (813-974-9787).

Directions

The University of South Florida is located midway between I-275 and I 75 on E. Fowler Avenue in Tampa. A USF parking permit will be sent to those who register prior to June 5, 1998. Otherwise, you may pick up a permit at the USF Visitors Center at the Fowler Avenue campus entrance.

Thursday June 11, 1998: CUTR Building

The Research Summit sessions will meet at the USF Center for Urban Transportation Research. From the USF main entrance on Fowler Avenue, drive north on Leroy Collins Boulevard. Turn left at the first stop light onto Alumni Drive. CUTR is the second building on the right (the two-story building connected by a walkway to the Engineering II building).

Friday, June 12, 1998: COPH Auditorium

The Distinguished Lecture will be held in the USF College of Public Health Auditorium. The College of Public Health is located at the southeast corner of Fletcher Avenue and Bruce B. Downs Boulevard.
