New Sponsored Research

National Bus Rapid Transit Institute, Federal Transit Administration, Dennis Hinebaugh / Gary Brosch, $150,000

Strategies for Intra-Urban Circulator System, USDOT, Francis Wambalaba / Martin Catalá / Victoria Perk, $75,000

Incorporating TDM into the Land Development Process, FDOT, Sarah Hendricks / Karen Seggerman, $47,500

Testing and Evaluation of the Traffic Management Vehicle, Florida’s Turnpike Enterprise, Larry Hagen, $299,988

Technical Assistance for the Development of an Automated Bus Stop Data Collection and Analysis, Florida International University, Fabian Cevallos, $25,000

People’s Transportation Plan Status Report Development, Miami-Dade Transit, Steve Reich / Sisinnio Concas / Jan Davis, $64,506

TDM Evaluation and Measurement, Center for Transportation & the Environment, Phil Winters / Jen Perone, $21,352

MCAT Development Plan-Major Update & Transportation Disadvantaged Service, Manatee County Transit, Victoria Perk / Cheryl Thole, $86,400

Performance Measures Monitoring and Technical Assistance, FDOT, Steve Reich / Sisinnio Concas / Jan Davis, $21,981

East Tampa Asset Mapping Project, USF / Florida Mental Health Institute, Beverly Ward, $19,233
