

*Centennial*  
**State Funding for Airports  
and Spaceports**  
Aviation and Spaceports Office (ASO)  
Florida Department of Transportation  
*1915 ★ 2015*

**Program Budget**

- FY 2014/2015 (Current Year)  
– \$355M
- FY 2015/2016 - \$347M
- FY 2016-2017 - \$232M
- FY 2017-2018 - \$223M
- FY 2018-2019 - \$220M
- FY 2019-2020 - \$211M
- **6-Year Total - \$1.5B**

## Project Requirements

- Approved Master Plan and/or Airport Layout Plan
- Enter all Capital Improvement Plan Projects into JACIP
  - Identifies statewide aviation needs
  - Utilized by District Office to prioritize and select projects for funding
  - Utilized by FAA to upload eligible projects into System of Airport Reports (SOAR)

## JACIP Development

- Airports will have a relatively stable list of projects in the database
- Projects may be added or deleted and priorities adjusted
- Changes occur for a variety of reasons:
  - New Master Plan
  - Local Political Environment
  - Economic Opportunities
  - Sudden Preservation or Capacity concerns
  - Lack of Matching Funds

## Tentative Development Process

- January/February
  - JACIP Unlocked
  - Airport Sponsor develops proposed updates
  - FAA deadline – **February 20, 2015**
  - Meetings with FAA/FDOT/Airport conducted
- March – July
  - Meetings with FAA/FDOT/Airport conducted
  - FAA/FDOT review to ensure proper information is included
  - FAA uploads projects to SOAR
  - FDOT creates Work Program
    - Includes changes to current program
    - Addition of new 5<sup>th</sup> year
- October
  - Work Program presented to Local Airport Sponsors/MPO's
- July 1 – Work Program Adopted by Secretary

## FDOT Fiscal Years

**2014/2015** - Current Year

**2015/2016** – Can be updated after July 1, 2015; however, if adding project over \$500,000 or deleting a project over \$150,000 needs EOG Amendment

**2016/2017 – LAST CHANCE to update without EOG Amendment**

**2017/2018**

**2018/2019**

**2019/2020 – New 5<sup>th</sup> Year**

## State Aviation Priorities

Project funding is based on consideration of airport priorities and the following State priorities:

- Encourage the maximum allocation of federal funds
- State licensing standards per Chapter 14-60, Florida Administrative Code
- State and federal standards for safety
- State and federal standards for security
- Preserve existing airport infrastructure
- Increase the capacity of Florida's Airports

**Florida Department of Transportation**
