NOTEWORTHY ACCOLADES

The USF Faculty & Staff Campaign celebrated the completion of the fourth annual Faculty & Staff Campaign Challenge. Thank you — Ken Short and Cheryl Thole, who were this year’s Co-Chairs. This year’s Challenge, titled the “U ROCK Challenge,” invited University areas located on the Tampa campus to participate in a month-long competition to reach their participation goals. CUTR had a participation rate of 97%! To celebrate the success of the Challenge, the event showcased the “Best Dressed Rock Star” competition between the 15 participating University leaders. Judged by the large crowd of employees in attendance, the winner was our very own, Ken Short representing the College of Engineering. Congratulations for winning the Gold Album trophy in the first ever “Best Dressed Rock Star” Competition!
